MEMORANDUM FOR: Deputy Director of Central Intelligence

VIA:

Director, Intelligence Community Staff *CaB;*

FROM:

Chairman

SUBJECT: Nominations for Chairman of the Foreign Language  
Training Committee

1. I should like to submit the following names for your consideration as  
Chairman of the Foreign Language Training Committee:

Commandant of the Defense  
Intelligence School

received his B.S. degree from the Virginia Military Institute and  
did graduate work at the University of Oxford (B.A., M.A.) and Yale University  
(M.S., Ph.D.). He has served as Department Chairman and Permanent Professor  
of Management, Economics and Geography at the Air Force Academy and was Chief  
of the DIA Liaison Office in London. has served on an ad hoc  
economic intelligence working group chaired by then DCI George Bush, and is  
the Department of Defense representative to the National Advisory Board on  
International Education Programs. This Board, chaired by the Department of  
Education, is concerned with foreign language and area studies.

Deputy Assistant Director of Training,  
National Security Agency

She has served in that agency since 1952. A member of the Senior Cryptologic  
Executive Service, has held management positions in resource  
allocation, cryptologic and language training. She was the NSA representative  
to the DCI Ad Hoc Task Force on the Linguist problem and has represented NSA  
in the Defense University Forum, the Interagency Language Round Table, and  
other government committees dealing with foreign language training. In  
addition, has had extensive dealings with the business and academic  
communities, particularly on such matters as computer assisted language  
instruction and machine translations.

2. I had considered recommending Mr. Pierre Shostal, Dean of the Foreign  
Service Institute's Language School but have just learned that he will be  
leaving that post shortly and that his new assignment will not be concerned  
with foreign language and area matters.

3. It is the considered opinion of several members of the FLTC, with which I concur, that it would be inadvisable to appoint as Chairman any of the representatives of the intelligence services of the four uniformed services to the FLTC. They are already deeply committed to their own individual service responsibilities and do not have the interest, time, or the breadth of background necessary for the Chairmanship.
